NCRC Testing - Hosted by MCC: The ACT National Career Readiness Certificate can help students on a postsecondary path you are preparing beyond high school, including careers. This portable, evidence-based credential, which certifies the essential skills for workplace success. Employers look for it from job candidates, whether they come directly from high school or through postsecondary paths, because it is a valid predictor of a job performance. Great to put on your resume since many employers are using this metric for some employees. Hosted by Metropolitan Community College. Pre-registration required at <http://bit.ly/2izplQs>
