Resume Workshop: Our team will help you improve an existing resume or build a new one. Workshop participants must bring an existing resume or a completed pocket resume. Hosted by Goodwill Employment Solutions.

NCRC Testing, Hosted by MCC: The ACT National Career Readiness Certificate can help students prepare for life beyond high school, including careers. This portable, evidence-based credential certifies the essential skills for workplace success. Employers look for it from job candidates, whether they come directly from high school or through post-secondary paths, because it is a valid predictor of a job performance. The NCRC certificate is a great addition to your resume, as many employers use this metric for certain employees. Hosted by Metropolitan Community College. Pre-registration required at <http://bit.ly/2izplQs>.
