Training Classes & Workshops: Sign up for our “Intro to Computer Basics” training class. This class is for individuals with limited or no computer skills. You'll receive assistance in how to use a computer, keyboard and mouse. Hosted by Goodwill Employment Solutions. To register, call Sarah at 402-951-2919.

NCRC Testing, Hosted by MCC: The ACT National Career Readiness Certificate can help students prepare for life beyond high school, including careers. This portable, evidence-based credential certifies the essential skills for workplace success. Employers look for it from job candidates, whether they come directly from high school or through post-secondary paths, because it is a valid predictor of a job performance. The NCRC certificate is a great addition to your resume, as many employers use this metric for certain employees. Hosted by Metropolitan Community College. Pre-registration required at <http://bit.ly/2izplQs>.

Traveling Trunk or Treat, Oct. 23, Noon - 7 p.m.: Goodwill Industries, Inc., is excited to once again host Trunk or Treat — but this year it's a *traveling* event! This free community event will be Oct. 23 from 12 p.m. to 7 p.m. in the parking lots of businesses and their volunteers. It's a safe place for kids to come pick up treats, and our volunteers will be wearing face masks and gloves, and social distancing will be enforced if lines form. If you pick up a map, get it stamped at every location and turn it in at your final destination, you'll be entered for a chance to win one of three prizes in our drawings!

American Red Cross Bloodmobile Drive, Oct. 28, 10 a.m. - 5 p.m.: This event is open to the public at our 72nd Ames headquarters location, and **all blood donors will receive a free COVID-19 antibody test!** Face masks are required and will be available at the check-in table if donors need one.

**Scan this QR code to see a list
of all of our events online and sign up!**
