Training Classes & Workshops: Sign up for our “Intro to Computer Basics” training class. This class is for individuals with limited or no computer skills. You'll receive assistance in how to use a computer, keyboard and mouse. Hosted by Goodwill Employment Solutions. To register, call Sarah at 402-951-2919.

NCRC Testing, Hosted by MCC: The ACT National Career Readiness Certificate can help students prepare for life beyond high school, including careers. This portable, evidence-based credential certifies the essential skills for workplace success. Employers look for it from job candidates, whether they come directly from high school or through post-secondary paths, because it is a valid predictor of a job performance. The NCRC certificate is a great addition to your resume, as many employers use this metric for certain employees. Hosted by Metropolitan Community College. Pre-registration required at <http://bit.ly/2izplQs>.
